

## “Think Globally, Act Locally”

Beacon Offshore Ltd. recognizes that its activities and services are capable of having a significant impact on the environment. To address these possible impacts, the company will:

- ❖ Consider ways of demonstrating commitment to comply with environmental legislation where practical
- ❖ Aim to formulate products, which are environmentally friendly in use and have minimal impact regarding waste disposal or accidental spillage
- ❖ Take account of concerns of interested parties such as regulators, shareholders, the public, etc. where these are consistent with the financial success of the company
- ❖ Totally eliminate all forms of pollution from the company's activities and services
- ❖ Minimize the use of energy and raw materials to reduce waste
- ❖ Ensure that key employees are aware of this policy and trained in their environmental responsibilities
- ❖ Regularly review environmental performance and set targets to achieve continuous improvement

This Policy Statement is designed to meet the requirements of ISO 14001, to which the Company intend to be accredited.
